West Innovation District

The showcase business community for forward-thinking companies that desire high-tech office space, clean manufacturing facilities, and related supporting purposes.

Freeway visibility and access, open spaces, and a unique mix of contemporary architecture and natural landscapes make this business neighborhood the ideal setting for modern enterprise campuses.

"With our quality control lab in Dublin, we have access to the deep pool of quality scientists who live in, work in, and attend school in central Ohio."

- **Leslie Smoot**
Director,
Quality Management
Nestlé USA

Perimeter Commerce District

The classic suburban mixed-use business neighborhood—made up primarily of retail, restaurants, and medical and professional services.

Its proximity to the freeways, residential neighborhoods, Dublin Methodist Hospital, Muirfield Village, and West Innovation District makes this business neighborhood ideal for any organization trying to reach Dublin's residents, employees, and visitors.

"DubLink has been the key component in our ability to deliver leading-edge technologies to our care-givers."

- **Jim Lowder**
Vice President,
Technology
OhioHealth

Bridge Street District

The Midwest's only true mixed-use, walkable neighborhoods within a suburban community.

The urban energy combines with suburban convenience to make an ideal home for entrepreneurs, creative offices, retailers, restaurants, entertainment venues, and a variety of residential options.

"We're proud to be headquartered in Dublin, Ohio, with renovated, contemporary facilities that will help us attract and retain five-star performers."

- **Emil Brolick**
President & CEO
The Wendy's Company

Metro Office District

The most established office park in Dublin.

This business neighborhood offers great freeway visibility and access; provides affordable office options; contains a variety of restaurants and hotels; and is just blocks from even more restaurants, hotels, retail, and all the conveniences of an ideal suburban setting.

"The City of Dublin is creating the business acceleration model of the future by providing entrepreneurs with large-scale infrastructure and managed services in a high-tier facility."

- **Rob Kopp**
President and COO
Metro Data Center

Blazer Research District

A mix of office, laboratory, and research facilities.

This business neighborhood offers easy access to restaurants, hotels, and retail, and includes multiple locations with freeway visibility. The offices in this neighborhood include corporate headquarters, high-tech research labs, class-A office space, and multi-tenant options, as well as a number of settings ready for custom builds.

"We've chosen Dublin as our preferred location for consolidation, growth and investment based on the quality of Dublin's workforce, the City's continued support, and the strength and value of the surrounding assets."

- **Mark Dougherty**
Chief Financial Officer
Sarnova, Inc.

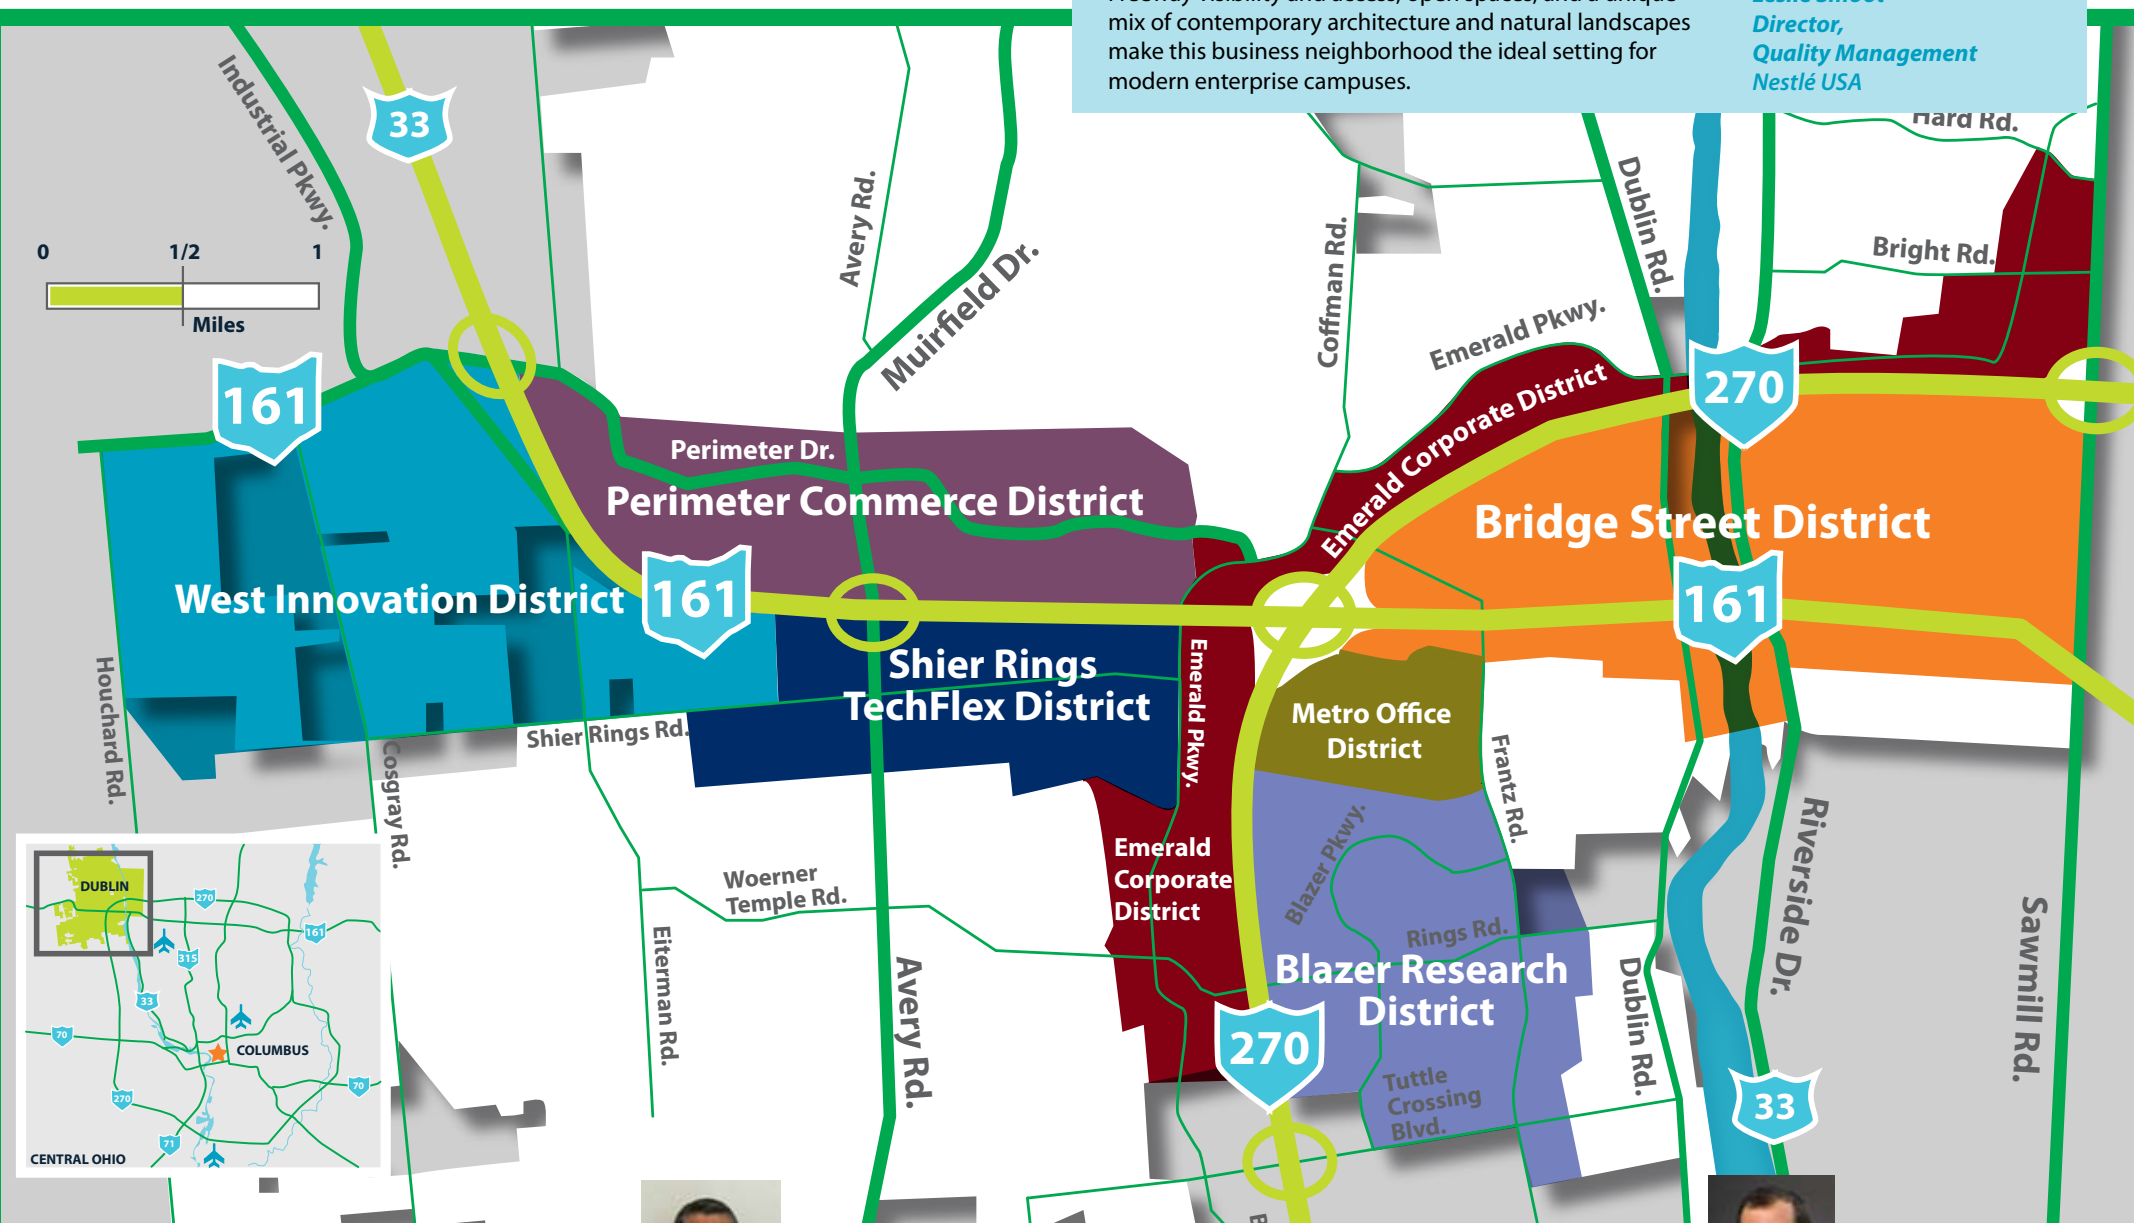

Emerald Corporate District

The premier address for Class-A office and corporate headquarters.

Highly visible from one of Ohio's most-traveled freeways, and already occupied by some of the biggest brands in the United States, this neighborhood offers ideal locations for any organization that desires a high profile setting with easy access to all the amenities that Dublin and the Columbus region have to offer.

"The City of Dublin is both innovative and forward-thinking, which made it an ideal place for building our new LEED-platinum certified headquarters."

- **Scott White**
President
IGS Energy

Shier Rings TechFlex District

Dublin's best combination of office and high-tech manufacturing.

This business neighborhood caters to any organization that desires to have their headquarters or offices immediately adjacent to modern industrial applications such as prototyping, specialized assembly, or clean manufacturing.

"The City of Dublin has been an important part of our success. Their continued support and personal commitment to our company has helped us grow in many ways."

- **Yoshihiro Hidaka**
President
Hidaka USA, Inc.
